1.0 CONSULTATION RECORD – THE PROCESS

The following excerpt from the Code of Federal Regulations (CFR) at 18 CFR § 5.18(b)(5)(G) describes the required content of the Consultation Record.

5.18(b)(5)(G) Consultation Documentation. Include a list containing the name, and address of every Federal, state, and interstate resource agency, Indian tribe, or member of the public with which the applicant consulted in preparation of the Environmental Document.

In accordance with the communications guidelines outlined in sections 2.3.1 and 2.4.3 of the Pre-Application Document (PAD) filed with the Federal Energy Regulatory Commission (FERC) on January 29, 2014, the Turlock Irrigation District (TID) and Modesto Irrigation District (MID) (collectively, the Districts) have established an extensive Licensing Participants Email Group. This group listing has been used to keep all licensing participants, including agencies, tribes, non-governmental organizations (NGOs), and interested members of the public, advised of all licensing activities. Table 1.0-1 lists parties consulted during the licensing process to date. The total licensing Consultation Record to date consists of five sections:

Previously filed with FERC:

- Licensing Contact List, filed as Appendix A to the PAD on January 29, 2014 (FERC E-Library Accession No. 20140129-5254)
- Consultation Workshops Record, from May 19, 2015 to October 20, 2016, filed as Attachment C to the Draft License Application (DLA) on April 24, 2017 (FERC E-Library Accession No. 20170424-5084)

Filed with this Final License Application:

- Consultation Record, from January 29, 2014 to August 25, 2017 (Appendix A)
- Licensing Website Announcements Record, from January 29, 2014 to August 25, 2017 (Appendix B)
- Workshop and Technical Committee Meeting Notes, from May 19, 2015 to May 18, 2017 (Appendix C)
